BACKGROUND INFORMATION

PREVIOUS FY CARRYOVER: Funds held in District Bank Accounts, excluding outstanding liabilities. (uncashed checks, bills received prior to June 30th but unpaid, etc...)

PROPERTY TAXES: Property taxes paid by Calwa Recreation & Park District property owners which is collected by the Fresno County Auditor-Controller/Treasure-Tax Collector through assessments based on property values.

- * Fifty percent of the funds expected in the fiscal year are deposited into the District's Account in January of each year. The account is administered by the Fresno County Auditor-Controller/ Treasurer-Tax Collector's Office. Forty-five percent is deposited in April and the remaining five percent in June.
- * Additional funds from 'unsecured property taxes' are deposited in February of each year but can't be used for budgeting purposes because they fluctuate erratically from year to year and therefore very unreliable.

RDA TAX INCREMENT: These are funds that formerly would have been distributed to Redevelopment Agencies as a tax increment are deposited into a Redevelopment Trust Fund and used to pay obligations listed on the Redevelopment Obligations (EOPS/ROPS). Any remaining funds in the trust fund, plus any unencumbered redevelopment cash and funds from asset sales, are distributed to the local agencies such as the Calwa Recreation & Park District. These 'pass-through' funds are deposited into the District's accoints by the County and deposited in January and June.

* The District also receives additional 'ABX1 26' funds which are generated using a formula related to the former Redevelopment Agency's debt. Those funds are deposited in February but also can not b used for budgeting purposes because the can't be predicted far in advance of when they might be available, if available at all.

District Payroll Taxes are the portion of Federal and State taxes that are the responsibility of the District.

Payroll Fees are calculated by the District's payroll processing contractor, ADP, and are based on the number of pay periods, the checks being generated in each of those pay periods and fees charged to process required tax documents (such as the Employer's Quarterly Federal Tax Return, California Quarterly Contribution Return and Report of Wages).

Workers' Compensation: For the 2017/18 FY was paid for in the previous FY as required by our provider, the Special District Risk Management Authority (SDRMA). Funds allocated in the 2017/18 Fiscal Year are reserved for the District's payment of the anticipated 2018/19 Fiscal Year premium. These figures may increase or decrease because they are estimates, based on payroll periods in the 2016/2017 Fiscal Year. They are also contingent on the District's active participation in SDRMA's Credit Incentive Program.

If the District underestimated the payroll numbers during the months in which it was covered through SDRMA in the 2016/17 Fiscal, the District will need to pay the difference. If the District overestimated payroll numbers, it will be reimbursed the portion of the premium overpaid. These under/overestimates are not included in budget estimates for the 2017/18 Fiscal Year.

Human Resources (Misc.) expenses are reserved to pay for job announcements or any other costs associated with the functions of hiring an employee, such as background checks.

Membership fees have been reserved for the District's participation in the California special Districts Association and the California Association of Recreation and Park Districts.

Mileage costs incurred by staff to conduct District business is reimbursable at a rate of \$0.575 per mile.

Office Equipment costs include the lease of the office copier and the occasional purchase of wiring or other devices needed for the District to carry out its operations.

Office Supplies tracked in this category include paper, ink, pens, binders, dividers, filing folders and other miscellaneous supplies.

Professional Development expenses include costs associated with travel and attendance at conferences and professional training seminars, including those organized by the CSDA and CARPD.

Recreational Programs require materials such as sports equipment, art supplies, snacks, small prizes used as incentives for program participants and other recreational equipment. Expenses incurred to carry out program activities will be tracked in this category.

Repairs and Maintenance costs tracked in this line item will cover small expenses to fix anything that gets damaged or defaced on District Property. They include but are not limited to sprinklers, windows, graffiti removal, air conditioning unit repair, faucets, toilets, water lines, lights and door knobs.

Security fees are paid to Sonitrol to cover monitoring fees from 9 PM to 8 AM every day.

Security Monitoring System fees for Ring Camera system. Purchase new cameras.

Technology Services will be utilized to maintain the District's website, provide email services and the occasional technical support offered by private consultants.

Trash Disposal fees are paid to Mid Valley Disposal to pick up a regular trash bin, green waste bin and a recyclable material bin once per week.

Water Fees are paid to the City of Fresno since we are connected to their system.
